J. Kanniah and Co., Civil and Military Station Bangalore addressed a petition dated 1st March 1889 to the Dewan of Mysore, applying for a license to open a Beer Tavern at Masika village, Bowringpet Taluk and the petition was forwarded to this Office with the Chief Secretary's Official Memorandum No: 645 dated the 30th March 1889.

(S.C. 168/SR 7 (87-88))

As Captain Anderson agent of the Neilgheri Brewery Company had already been permitted to open a Tavern for the sale of Beer and Porter at the Gold Fields and as it had been decided that no more country liquor shops were needed in the vicinity, a report to this effect was submitted to Government in this Office letter No: 183/29 dated the 15th April 1889 to the address of the Chief Secretary.

(87-88)

Thereupon, the applicants were granted an endorsement by Government No: 2978 dated the 26th April 1889 informing them that

no license to open a Beer Tavern could be granted under the above circumstances.

A similar application dated 17th April 1889 was sent to this office by the said Kinneah and Co. but it had to be rejected for the reasons explained above.

The Beer Tavern opened by Captain Anderson existed from April 1889 to the end of February 1892 and has since been converted into a Foreign Beer shop under licenses granted to him with the ——, Excise Commissioner's sanction conveyed in his docket No: 1468/53 dated the 9th February 1892 as the Innree Brewery Company whose liquor Captain Anderson had previously been licensed to and seems to have closed its business.

× For the wholesale vend of Foreign beer.
× do Retail do.
× do. Refreshment Room.

The Gold Mining Board whose opposition to the opening of liquor shops on the Field led to the rejection of several applications for such shops in the locality, has since expressed itself in favor of the grant of a license to Messrs Spencer and Co for the opening of a store-room in which foreign

foreign spirits and fermented liquors of all kinds are to be sold at the Gold Mines and the question has been submitted to the Excise Commissioner.

The Board is however opposed to a liquor shop being opened near the Gold Fields. If the Excise Commissioner sanctions the grant of a license to Messrs Spencer and Co., then there will be 2 European liquor shops at the Gold Fields.

The number of liquor shops in and about the Gold Fields is shown below:

Sir,

In reply to your official memo No. 1295, dated 17th instant, I have the honor to invite attention to this office letter No. 5403/331, dated 11/14th instant, regarding the application of Messrs Spencer and Co. for permission to open a Foreign liquor shop in the Kolar Gold Fields.

2. I understand that the mining Companies having been hitherto opposed to the opening of a shop for the sale of Foreign Spirits at the Gold Fields, no such shop was permitted to be opened but that, as they had no objection to

the sale of a milder and less harmful
liquor as beer, Captain Anderson who
was the Agent of the late Murree Co.
Brewery Company for the sale of their
beer at the Gold Fields, has been permitted,
since the close of the said Company's
own taverns, to sell purely English beer
there under Licenses granted to him
on condition of his paying the prescribed
license fees fully under the Foreign
Liquor Rules. There are, besides, two other
Foreign liquor shops at Bowringpett.
It will be seen from the accompanying
copy of letter No. 450, dated 25th September
'58, from the officer in charge of Cantral
Police Arrangements to the Deputy
Commissioner, Kolar District, that
the Chairman and other Agents of the
Gold Mining Company objected to
the number being increased. But as
the Mining Board are now in favor
of a Shop being opened on the Fields

for

for the sale of Foreign liquors, it seems equitable that Captain Anderson who has been for sometime past paying the prescribed fees fully under the Foreign liquor Rules, should be permitted to sell them, as well as the double-distilled or rectified spirits manufactured at the Mysore Government Central Distillery, in addition to English Beer to the sale of which he is at present restricted. I am, however, of opinion that the existing two Foreign liquor shops at Bowringpett and Captain Anderson's English beer tavern in the vicinity of the mines, are ample for the requirements of the European population at the Gold Fields, and that in the interests of the Gold mining industry, it is not expedient to permit the sale of spirituous liquors on the field itself, as proposed by the Mining Board.

To

Kolar District.

Sir

In reply to your No. 1187/820, dated 4th instant, regarding new liquor shops to be opened in the Gold Mines Camp, I have the honor to state that the whole question was disposed of on receipt of a file of correspondence from the Chief Secretary to the Dewan, and no additional Country liquor shops are, in my opinion, at present needed in the vicinity of Gold Mines.

2. There are at present 2 shops for the sale of European liquors in Bowringpett. The Chairman and other Agents of the Company object to the number being increased. As Government have sanctioned that Country liquor should be placed in the

same

same Category as foreign liquor, it will be -
bottled at proof and placed at both these liquor
shops at Bowring pett and in the Depot at
Coregum, so no more additional shops for the
sale of foreign spirits will be necessary in
the vicinity of the Gold Mines.

3. The Murry Brewery Company have been
permitted to open a Beer Tavern at the Camp.
Would Captain Anderson, the Agent of that
Company, obtain permission of the Chairman
to open a Refreshment Room for the sale of
Burton Ale and other European spirituous and
fermented liquors in the vicinity, to be -
worked under European supervision, as the
present tavern is, the Application might, I think
be considered.

4. Under these circumstances, I would -
suggest that all Applications for country liquor
Beer shops &c. be rejected, as there are shops
enough to meet the present demand of the
public at the Mines.

SIR K. SHESHADRI IYER, K.C.S.I.

Dewan Bahadur to his Highness the Maharaja of Mysore.

2612
14-4-93

The humble petition of T. S. SHUNMOOGUM CHETTY and ACAUMBRUM MOODR. & Co., Proprietors of Gold Field Bar, and the Mining Provision Depot and licensed dealers in Foreign spirits and liquors at Bowringpett of Kolar District.

HUMBLY SHEWETH :—

1. That your humble petitioners have carried on merchandise in foreign spirits and liquors without any complaint whatever for a number of years at Bowringpett under licenses granted by the District Magistrate and Deputy Commissioner of the Kolar District and have also been dealing in European Stores and Provisions in their shops solely for the benefit of the Mining population of the Gold Fields.

2. That one of your petitioners viz; T. S. Shunmoogum Chetty applied so long back as on 19th April 1881, 26th October 1887, 1st October 1890 and 30th January 1893, for permission to open a shop at the *Mines*, but the District Magistrate of Kolar refused on several occasions to grant the necessary license on the ground that the opening of any such shop was opposed to the wishes and interest of the Mining Officers, copy of which endorsements and Special Magistrate's reply is herein enclosed for kind perusal

3. That your petitioners had therefore to apply for and obtain a license from the District Magistrate for the vend of foreign spirits at *Bowringpett* which is only at a distance of about 9 miles from the Mining Camp, where their shops are considerably patronized by the European Miners and others working at the Gold Fields, so much so that at present a considerable stock of liquor and stores is lying at their shops and the amount of outstandings due by the Miners is very large.

4. That your petitioners are given to understand that Messrs Spencer & Co., is to be granted a license to open a shop at the *Gold Fields* with the consent of the Mining Board Members for the sale of foreign spirits. This simply means shutting up your petitioners' shops altogether, as the Miners will not go to Bowringpet hereafter for their requirements, and the local trade of that place is nothing to speak of.

5. That your petitioners will therefore be compelled to close their shops and will thus be not only deprived of their livelihood but will also be put to considerable loss in the shape of unsold stock and outstandings.

6. That if the Government is satisfied with the necessity for the opening of foreign liquor shops at *the Mines*, a necessity which was not shown to exist when your petitioners originally applied, your petitioners are quite prepared to remove their present shops to the Mines and are also willing and ready to abide by any reasonable condition and restriction which may be imposed upon your petitioners

having the interest of the Mining Establishment at heart; your humble petitioners also venture to submit that they have the preferential right over others to open shops *at the Mines* inasmuch as they had been authorized by the District authorities to open their existing shops at *Bowringpett* though they were intended, and are still continuing to be maintained, for the special use of the Mining population.

7. That relying on Your Excellency as ever ready to redress real grievances, your petitioners leave their unfortunate case into Your Excellency's hand in the full hope that due consideration will be given to their case and favorable orders passed thereon.

For which act of justice your petitioners will as in duty bound shall ever pray.
